Turza Podder Joy

Denials Manager| Account Management | Client Experience | Marketing Graduate

jturza28@gmail.com | in/turzapodderjoy/ | +8801875596911 | Luxmibazar, Dhaka

Profile

Experienced in running high-value, multi-client accounts through direct communication and account reviews. Strong analytical and critical thinking skills with a background in online research, root-cause analysis, and documentation accuracy, backed by data and automation skills in Power BI, Retool, and Python to turn findings into faster, more reliable resolutions.

Professional Experience

Commure Bangladesh

Denials Manager, Operation Analyst, RCM — Oct 2025 – Present, Full-time

- Managing over a $2M+ portfolio across 23 US hospital and medical facility accounts, researching CMS guidelines and payer policies to resolve complex claim denials and maintain accurate documentation.
- Serving as primary client contact for denial management, leading regular site meetings with billing points of contact to review account status, resolving escalations, and keeping documentation accurate, working closely with cross-functional and customer success stakeholders.
- Maintained a healthy portfolio of 19 green sites and only 2 red sites through consistent account monitoring and client coordination.
- Designed and built a Retool-based tool and workflow database consolidating claim records, encounter data, and internal notes into one searchable system, adapted team-wide to reduce research time.
- Improved resolution rates (FPR) from 63% to over 92% across multiple accounts through independent research, root-cause analysis, and coordination with site stakeholders.

Next Ventures

Virtual Executive, Tech Expert, Client Experience — Oct 2023 - Sep 2025, Contractual

- Resolved 2000+ client issues, delivering timely support and driving higher customer satisfaction.
- Built automation tools (Automated Drawdown Calculator, CEx Master Search, Tick Picker), improving efficiency by 75% and reducing operational time by 90%.
- Recognized with 3 Excellence Cards within 4 months and a total of 4 within 7 months for consistent top performance.
- Generated $16,000+ in sales within 16 days, directly contributing to business growth.
- Led and managed a team of 58+ virtual executives, ensuring smooth shift operations and maintaining high productivity levels.

Peora

Trainee, Growth & Strategy — Apr 2023 - Jun 2023, Part-time

- Collaborated with cross-functional teams to design and execute strategies that improved team performance by 20% and enhanced project delivery timelines.
- Streamlined administrative processes, reducing operational bottlenecks and improving efficiency by 30%.
